

Business Owner,

The Victory Elementary School PTO (VESPTO) is pleased to announce our annual fundraiser Basket Bingo, which will be held on March 11<sup>th</sup> 2016. Basket Bingo is the largest fundraiser for the VESPTO and the money raised is used to support specific projects or needs within the school.

Last year over 250 people from the community attended the event and we raised over \$14,000. With your help we are confident this year's event can be even bigger. Every single dollar we raise goes directly back to the school to support the purchase of a specific item(s). This year, the money we raise will be used to purchase a new laminator for the school.

We are currently seeking donations from individuals and local businesses to support the event. We are in need of both sponsorships as well as donated items that can be used as prizes for bingo games and raffle drawings.

Any prize donations will be credited to the specific business or individual that provided them.

All Sponsorships will be listed in the program:

- Sponsorships of \$250+ will have a name or logo included on the event program.
- Sponsorships of \$500+ will be listed on the cover of the event program.
- Sponsorships of \$1000+ will be listed on a banner at the entrance to the event, and listed on the cover of the event program.

**The VESTPO is 501c(3) non-profit organization (EIN 03-0562856) so donations are tax-deductible.**

We thank you for your consideration,

Victory Elementary School PTO
