

Heritage Week

The week of December 8 through December 12 is Heritage week. To celebrate our variety of family traditions, we are inviting parents/guardians to visit classrooms to share about their heritage. This could be in the form of a presentation, sharing a book, song or even doing a special activity.

If you would like to participate, please complete and return the bottom portion of this form to your student's teacher.

I, _____, would like to share during heritage week. These days and times work best for me:

- 1.
- 2.
- 3.

I will be sharing _____.
