

# Heritage Week

The week of December 14<sup>th</sup> through December 18<sup>th</sup> is Heritage Week. To celebrate our variety of family traditions, we are inviting Parents/Guardians to visit classrooms to share about their heritage. This could be in the form of a presentation, sharing a book, song or even doing a special activity.

If you would like to participate, please complete and return the bottom portion of this form to your student's teacher.
