

Heritage Week

The week of December 12th through December 16th is Heritage Week. To celebrate our variety of family traditions, we are inviting family members to visit classrooms to share about their heritage. This could be in the form of a presentation, sharing a book, song, or even doing a special activity.

If you would like to participate, please complete and return the bottom portion of this form to your student's teacher.

I, _____, would like to share during Heritage week. These days and times work best for me:

- 1.
- 2.
- 3.

I will be sharing _____
