

Heritage Week Potluck Dinner

On Wednesday, December 10th from 5:30 to 7pm Victory will be hosting a Heritage Week Potluck Dinner. We are inviting all families to come participate in this celebration of family traditions. If you are interested in joining us, we ask that you bring a family favorite dish.

We are hoping to have activity stations as well as food. If you are interested in leading an activity, please share your idea below along with any materials you may need. Some ideas are crafts, games or dances.

Please return the bottom portion of this form to your student's teacher. If you have any further questions please contact Robyn Frazier or Tommy Parks at frazierl@pwcs.edu or parkstc@pwcs.edu.
