

# FOOD & FUNDS

Attention Victory Lakes Community Families!

This year, Victory Elementary School (VES) is starting a new program. We hope to create a tradition of giving to our families in need through out the year. You can be a part of this wonderful opportunity to make the year a little “fuller” for a few of our students!

The process is simple with several options:

1. Donate nonperishable food to the VES Food Pantry. Food can be dropped off at VES or at the VL Clubhouse
2. Adopt a backpack for the year (\$380)
3. Spread the word and donate (Food or Funds) when you can.

CHILDHOOD HUNGER affects students in our county. Let’s make a difference together.

Please keep in mind that the food is geared towards feeding the student for the weekend and items should be single serving or small packaging that could be carried home by a 5 year old.

Questions? Call counselor Laura Bell & Cristina Cuesta – Hammad or email [belllm@pwcs.edu](mailto:belllm@pwcs.edu) & [cuestac@pwcs.edu](mailto:cuestac@pwcs.edu)

We would like to thank you in advance for your generosity!
